TO THE CLASS OF 2021

Congratulations on your graduation from Owensville High School!

BY KRIS ALTEMEYER
Owensville High School Principal

It has certainly been an exciting year for the Class of 2021! The culminating final year of their 13-year journey definitely was not normal in a number of ways, but that does not make it any less special for each of our 107 graduating seniors.

These seniors have accomplished a great deal over the past year and throughout their academic careers. They are graduating with a total of 821 college credits and 55 of them have earned two years of free college tuition through the A+ Program. Julianna Bayless earned a 31 on her ACT, qualifying her for a Bright Flight scholarship. In all, the class of 2021 earned nearly \$125,000 in scholarships, with a significant portion of that coming from our generous local scholarship donors. All of this hard work and support will give them an invaluable head start on their futures.

The Class of 2021 will be attending a variety of post-secondary institutions,

including Columbia College, Creighton University, Missouri S&T, Missouri Southern University, Missouri State University, the University of Missouri, Northern Oklahoma College, Webster University, Westminster College, William Woods University, East Central College, Merrell University, Mineral Area College, Ozark Technical College, Rolla Technical Institute, St. Louis Community College, St. Charles Community College and State Technical College of Missouri. We are also proud to have members of the Class of 2021 serving our country, with Eric Glenn and Cameron O'Neal joining the U.S. Army National Guard.

This year's graduating class has experienced a senior year that has un-

fortunately caused them to miss out a few traditional activities. But they have handled it well, with a maturity and open-mindedness that gives me great confidence that they will be able to overcome any obstacles they encounter on their future paths.

Parents and families — you have much to be proud of with this group of young men and women that you have raised and supported throughout these past 18 years. The community is proud of them, our faculty and staff is proud of them, and I am certainly proud of them as well.

Congratulations to the OHS Class of 2021, and we look forward to a celebration with our graduation ceremony, Sunday, May 23!

TO THE CLASS OF 2021

A message from the superintendent

CHUCK GARNER, ED.D.
Superintendent

To the graduating Class of 2021 from Owensville High School — Congratulations!

You have reached a milestone in your life in which you can reflect and dream at the same time. There are a few times in life when you stop, take a breath and reflect on where you have been. There are also a few times in life, when you think about your future. High school graduation is a time where both occur.

As you look back over your public school education you will have many memories, friendships and experiences to cherish. As you look forward, you may be excited and nervous at the same time for what your future holds. I encourage you to reflect on your accomplishments and those who helped you get to where you are today — especially your parents, grandparents, family, friends and an educational community that is proud of you. I also encourage you to dream! A fellow Missourian, Walt Disney, said, “All our dreams can come true, if we have the courage to pursue them.” I challenge you to have the courage to pursue your dreams. I wish you the very best, regardless of your life pursuit, and want you to remember it all started here and you have people here who are proud of you.

As you move on to the next phase in your life, please remember you left a tradition for others to follow. Your accomplishments are many, from National, State, District, Conference and personal highlights and successes. The entire community is proud of you. We are counting on you to make a positive impact on our community, state, country

and world. Your leadership will shape the future for all of us. This community has demonstrated their commitment to you throughout your educational journey and has invested in your success, and, I am confident you will continue to show high achievements in a vast array of disciplines. Another famous Missourian, Mark Twain, said, “Twenty years from now you will be more disappointed by the things you didn’t do than by the ones you did do. So throw off the bowlines. Sail away from the safe harbor. Catch the trade winds in your sails. Explore. Dream. Discover.”

As this school year comes to an end, I would like to recognize and congratulate the three staff members who will be retiring at the end of the school year. They are Janet Dintelman (27 years of service with 27 years within the district), Cindy Hawkins (28 years of service with three years within the district) and Carl Hendrickson (23 years of service with 23 years within the district). We wish these employees the best of luck and hope they enjoy retirement.

In closing, I would like to thank the Board of Education and community for their continued support of our school district. With budget concerns and an ever changing educational landscape, it is critical we partner together in improving the educational opportunities for our students. I would also like to thank the teachers, district staff, and students for their work to make this a great school district. It is only with unyielding passion and commitment from all stakeholders, will we see our district continue to improve and provide our students with the opportunities needed to compete in the world. Lastly, to the graduates of 2021, Missouri poet Langston Hughes wrote, “Hold onto dreams, for if dreams die, Life is like a broken-winged bird that cannot fly.” So, dream big and congratulations. No matter what you pursue, do it with Dutchmen Pride!

2021 Owensville High School Prom held in high school gym

Owensville High School seniors gather for a group photo at this year's prom. Due to uncertainty of COVID-19 the event was held in the OHS gymnasium the first time since 2004. The room was decorated with an island theme. A false ceiling and fake walls of plastic turned the oversized gym into a more appealing venue.

That's a Wrap!

Play rehearsal

Seniors Peter Pike (third from left, top photo) and Kar Meyer (left, photo right) took part in the first annual 24 Hour Playwriting Festival in December. Students (photo above) rehearse an original one act play entitled "A Ladies Brunch" written by Shelby Koepke and directed by Pike. Meyer is working on the technical elements by discussing sound cues. For the festival students wrote three one act plays, rehearsed, directed and performed them within 24 hours. The Owensville High School Drama department is under the direction of Adrienne Brammeier.
